3.4.4 If the Investors have rejected (or deemed to have rejected) the Liquidity Shares Offer Notice, then the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall have the right to sell the Liquidity Shares to a third party (the “**Liquidity Purchaser**”), subject to **Article 3.4.5** of Part B of these Articles.

Upon issue of the Rejection Notice or deemed rejection as aforesaid, the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall have the right to sell the Liquidity Shares to the Liquidity Purchaser, subject to:

For the purpose of computing the said 90 (ninety) day period, any time taken for receipt of necessary regulatory approvals shall be ignored provided such approvals are obtained within a period of 90 (ninety) days from the date of issuance of the Liquidity Shares Offer Notice.

3.4.7 The Promoters and the Other Founding Shareholders shall act in good faith to obtain all Consents that may be required for transfer of the Liquidity Shares.

3.5 **Right of First Refusal**

- 3.5.1 Without prejudice to the obligations of the Promoters or the Other Founding Shareholders under this **Article 3**, in the event that any of the Promoters and/or the Other Founding Shareholders are desirous of Transferring any of the Shares held by them in the Company, the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) shall send a written notice (“**Offer Notice**”) to the Investors indicating the total number of Shares that are proposed to be Transferred (“**Offer Shares**”), the name, identity and beneficial ownership of the proposed purchaser of such Shares (“**Purchaser**”), the price per Share at which such Offer Shares are proposed to be sold to the Purchaser, (“**Offer Price**”) and the terms and conditions of the proposed Transfer. Upon receipt of the Offer Notice, the Investors shall have the first right to acquire the Offer Shares in accordance with the provisions of this **Article 3.5**. Provided however, that the Investors shall not be entitled to the right of first refusal under this **Article 3.5**, if the Shares are being Transferred by the Promoters and/or the Other Founding Shareholders (as the case maybe) in terms of **Articles 3.2 (Transfer to Affiliates), 3.3 (Inter-se Transfer) or 3.4 (Personal Exigencies)** of Part B of these Articles.
- 3.5.2 Within a period of 15 (fifteen) Business Days, from the date of receipt of the Offer Notice (“**Offer Period**”), the Investors shall, by written notice, communicate to the relevant Promoter and/or the Other Founding Shareholders (as the case maybe) their intent to purchase the Offer Shares at the Offer Price on the same terms and conditions set out in the Offer Notice (“**Offer Response**”).
- 3.5.3 If the Investors have not exercised their rights to acquire the Offer Shares as set out above, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall, subject to **Article 3.6** of Part B of these Articles, be entitled to sell the Offer Shares to the Purchaser, who shall not be a Competitor, subject to the Purchaser signing a Deed of Adherence to the Agreement; provided that the price at which such Offer Shares are sold to the Purchaser shall not be lower than the Offer Price and the terms and conditions of the sale shall be no more favourable than those set out in the Offer Notice.
- 3.5.4 Any sale of Offer Shares by the Promoters and/or the Other Founding Shareholders (as the case maybe) to the Investors and the Purchaser, as the case may be, shall be completed within a period of 90 (ninety) days after the expiry of the Offer Period, failing which the sale shall again be subject to the provisions of this **Article 3**. For the purpose of computing the said 90 (ninety) day period, any time taken for receipt of necessary regulatory approvals shall be ignored provided such approvals are obtained within a period of 90 (ninety) days from the expiry of the Offer Period.
- 3.5.5 The Promoters and the Other Founding Shareholders (as the case maybe) shall act in good faith to obtain all Consents and approvals that may be required for Transfer of the Offer Shares.

3.6 **Co-Sale Rights**

- 3.6.1 If the Investors do not exercise their right of first refusal as provided in **Article 3.5** of Part B of these Articles above, the Investors shall be entitled to co-sell their Shares with the Shares of the Promoters and/or the Other Founding Shareholders (as the case

maybe) in the manner set out herein. Provided however, that the Investors shall not be entitled to the co-sale rights under this **Article 3.6**, if the Shares are being Transferred by the Promoters and/or the Other Founding Shareholders (as the case maybe) in terms of **Articles 3.2 (Transfer to Affiliates)**, **3.3 (Inter-se Transfer)** or **3.4 (Personal Exigencies)** of Part B of these Articles.

- 3.6.2 The Investors shall have the right to co-sell such number of Shares as is provided in this **Article 3.6** (“**Co-Sale Shares**”) by issuing a notice in writing to the Promoters and/or the Other Founding Shareholders (as the case maybe) during the Offer Period, requiring the Promoters and/or the Other Founding Shareholders (as the case maybe) to ensure that the Purchaser shall also purchase the Co-Sale Shares from the Investors at the Offer Price and on the same terms and conditions as are set out in the Offer Notice. Provided however, that the Investors shall not be required to make to the Purchaser any (i) representations, warranties and indemnities with respect to the Company and its Subsidiaries (other than title to the Shares held by the Investors and their respective legal standing); or (ii) any non-competition or similar agreements that would bind the Investors or their respective Affiliates. Any Transfer of Shares to the Purchaser under this **Article 3.6** shall be subject to the Purchaser executing a Deed of Adherence to the Agreement.
- 3.6.3 If the Investors decide to exercise their right to co-sell any Shares, the number of Co-Sale Shares that the Investors shall be entitled to sell on a Fully Diluted Basis shall bear the same proportion to the total number of Shares held by them respectively on a Fully Diluted Basis, which the Offer Shares bear as a percentage to the total Shares held by the Promoters and/or the Other Founding Shareholders (as the case maybe) on a Fully Diluted Basis.
- 3.6.4 Without prejudice to the rights of the Investors under **Article 3.7**, **Article 4.4**, **Article 7** and **Article 10** of Part B of these Articles and notwithstanding anything stated in this **Article 3.6**, the Investors shall be entitled to co-sell all their Shares in the event the Offer Shares proposed to be Transferred by the Promoters and/or the Other Founding Shareholders equals or exceeds 50% (fifty percent) of the Promoter Shares.
- 3.6.5 In the event the Purchaser is not willing to purchase the Offer Shares along with all the Co-Sale Shares, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall ensure that the Offer Shares and Co-Sale Shares being sold to the Purchaser shall be in proportion to the Offer Shares and the Co-Sale Shares originally offered for sale, such that the total number of Shares being sold to the Purchaser does not exceed the number of Shares that the Purchaser is willing to purchase. This provision is illustrated by the following example:

If the Offer Shares being sold by the Promoters and/or the Other Founding Shareholders equal 150 (one hundred fifty) Shares, the Co-Sale Shares of the Investors equal 50 (fifty) Shares, and the Purchaser is only willing to purchase 100 (one hundred) Shares, the Offer Shares and the Co-Sale Shares to be sold to the Purchaser shall be in the ratio of 1.5:0.5 respectively, such that the Purchaser purchases 100 (one hundred) Shares i.e. the Purchaser will acquire 75 (seventy five) Shares from the Promoters and/or the Other Founding Shareholders (as the case maybe) and 25 (twenty five) Shares from the Investor.

It is however clarified for the avoidance of doubt, where the Investors elect to co-sell all their Shares pursuant to **Article 3.6.4** of Part B of these Articles above, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall ensure that the Purchaser simultaneously acquires all the Co-Sale Shares and any Offer Shares.

3.6.6 In the event the Purchaser is not willing to purchase all of the Co-Sale Shares in terms of either **Articles 3.6.3, 3.6.4 or 3.6.5** of Part B of these Articles above, the Parties agree that the Promoters and/ or the Other Founding Shareholders (as the case maybe) shall not be able to sell its Shares to such Purchaser and any such sale shall again be subject to the provisions of **Articles 3.5 and 3.6** of Part B of these Articles.

3.6.7 In the event that:

3.6.7.1 the Investors do not exercise the co-sale right within the Offer Period, the Promoters and/ or the Other Founding Shareholders (as the case maybe) shall be free to sell the Offer Shares to the Purchaser, provided that: (i) the sale price shall not be lower than the Offer Price and the terms and conditions of the sale shall be no more favourable than those in the Offer Notice; and (ii) the Purchaser shall execute a Deed of Adherence to the Agreement; or

3.6.7.2 the Investors exercise the co-sale right within the Offer Period to sell their Co-Sale Shares in terms of this **Article 3.6**, the sale of the Offer Shares by the Promoters and/or the Other Founding Shareholders (as the case maybe) to the Purchaser would be subject to the Purchaser executing a Deed of Adherence to the Agreement. Notwithstanding anything contained in **Article 3.5** of Part B of these Articles and this **Article 3.6**, if the Investors elect to exercise their co-sale right, the Promoters and/or the Other Founding Shareholders shall not be entitled to Transfer their Shares to the Purchaser, if on exercise of the co-sale right by the Investors in terms of this **Article 3.6**, the Investors do not receive at least the Liquidity Preference Amount; provided however that in the event that the Investors do not receive the entire Liquidity Preference Amount from the Purchaser on the Transfer of their Co-Sale Shares, the Promoters and/or the Other Founding Shareholders shall, simultaneously with the receipt of any payment from the Purchaser for their Offer Shares, ensure that the Investors receive at least the Liquidity Preference Amount by one or more of the following methods. It being clarified that the order of preference of the methods by which the Investors will receive its Liquidity Preference Amount is as follows:

- (a) adjustment of the Conversion Ratio of the Series A CCPS;
- (b) transfer of such number of Shares by the Promoters and/or the Other Founding Shareholders to the Investors; and/or
- (c) cash payment to the Investors by the Promoters and/or the Other Founding Shareholders.

It is further clarified for the avoidance of doubt that, (a) if the Investors do not receive the Liquidity Preference Amount in accordance with this

Article 3.6.7, the Promoters and/or the Other Founding Shareholders (as the case maybe) shall not be entitled to transfer any of their Shares to the Purchaser unless the Investors receive at least the Liquidity Preference Amount with respect to the Co-Sale Shares; and (b) the aggregate liability of the Promoters and the Other Founding Shareholders under **Article 3.6.7.2(c)** of Part B of these Articles above shall not exceed the aggregate value of all the Shares held by the Promoters and the Other Founding Shareholders in the Company. In the event, the Promoters and/or the Other Founding Shareholders Transfer any Shares after the Effective Date to their respective Affiliates pursuant to the terms of the Agreement and these Articles, the Shares so Transferred after the Effective Date shall be included in computing the value of the total Shareholding of the Promoters and/or the Other Founding Shareholders under **Article 3.6.7.2(c)** of Part B of these Articles.

- 3.6.8 The sale of the Offer Shares along with the Co-Sale Shares, if any, to the Purchaser shall be completed within a period of 60 (sixty) days from the expiry of the Offer Period. The Promoters and/ or the Other Founding Shareholders (as the case maybe) shall co-operate in good faith to obtain all Consents and approvals that may be required for transfer of the Co-Sale Shares, including Consents from the lenders, if required. In the event of a failure to so consummate the sale within the stipulated 60 (sixty) days period, the sale shall again be subject to the provisions of **Articles 3.5** and **3.6** of Part B of these Articles. For the purpose of computing the said 60 (sixty) day period, any time taken for receipt of necessary regulatory approvals shall be ignored provided such approvals are obtained within a period of 60 (sixty) days from the date of the Offer Period. The time period of 60 (sixty) days as set out in this **Article 3.6.8**, may be extended by mutual agreement between the Investors and the Promoters.
- 3.6.9 In the event that the Investors are exercising their rights under this **Article 3.6** prior to conversion of all the Series A CCPS, the number of Co-Sale Shares, which they shall be entitled to sell shall be determined on the basis of the Shareholding of the Parties in the Company on a Fully Diluted Basis, and the Offer Price to be paid to the Investors for the Series A CCPS held by the Investors shall be determined based on the number of underlying Equity Shares based on the applicable Conversion Ratio.

3.7 **Transfer of Investors' Shares**

- 3.7.1 The Investors shall have the right to Transfer all or part of their Shares to any Person subject to provisions of this **Article 3.7**, and the Company, the Other Founding Shareholders and the Promoters shall provide Transaction Assistance to the prospective third party buyer of the Shares held by the Investors. Provided however, that except with the prior written consent of the Promoters, the Investors shall not Transfer their Shares to a Competitor prior to the expiry of 63 (sixty three) months from the First Closing Date, other than any Transfer of Shares by the Investors to a Competitor pursuant to **Article 10.3.2** of Part B of these Articles. The Company, the Other Founding Shareholders and the Promoters shall also provide necessary representations and warranties and indemnities pertaining to the Company and its Subsidiaries (other than title to the Shares held by the Investors and their respective legal standing) to such third party acquirer. It is hereby clarified that the Investors shall not be required to make any (i) representations, warranties and indemnities with respect to the Company and its

Subsidiaries (other than title to the Shares held by the Investors and their legal standing); or (ii) any non-competition or similar agreements that would bind the Investors or their respective Affiliates. The representations, warranties and indemnities provided by the Company, Other Founding Shareholders and the Promoters to such third party acquirer shall be no less favourable than those provided to the Investors under the Transaction Documents.

- 3.7.2 In the event the Investors are desirous of Transferring any of their Shares to any Affiliate of the Investors, such Affiliate shall execute a Deed of Adherence to the Agreement. It is clarified that the rights acquired by an Affiliate of the Investors shall be exercised by the Investor and the Affiliate under the Agreement and these Articles collectively acting as a single block of Shareholders.
- 3.7.3 In the event the Investors are desirous of Transferring more than 7.5% (seven point five percent) of the Share Capital, the transferee shall acquire all the rights of the Investors under the Agreement and these Articles by signing a Deed of Adherence to the Agreement.
- 3.7.4 Subject to the provisions of **Article 15** of Part B of these Articles, in the event the Investors are desirous of Transferring less than 7.5% (seven point five percent) of the Share Capital, save and except the following rights, the transferee shall not acquire any rights of the Investors under the Agreement and these Articles.
- 3.7.4.1 **Article 3.5** (Right of First Refusal) of Part B of these Articles;
- 3.7.4.2 **Article 3.6** (Co-Sale Rights) of Part B of these Articles;
- 3.7.4.3 **Article 3.7** (Transfer of Investors' Shares) of Part B of these Articles;
- 3.7.4.4 **Article 4.1** (Anti-dilution rights) of Part B of these Articles;
- 3.7.4.5 **Article 4.2** (Pre-Emptive Rights) of Part B of these Articles;
- 3.7.4.6 **Article 4.3** (Information Rights) of Part B of these Articles; and
- 3.7.4.7 **Article 4.4** (Liquidity Preference) of Part B of these Articles.
- 3.7.5 In the event the Investors are desirous of Transferring 7.5% (seven point five percent) or more of the Share Capital and the Investors continue to hold at least 7.5% (seven point five percent) after such Transfer, both the transferee and the Investors shall be entitled to similar rights and privileges under the Agreement and these Articles by signing a Deed of Adherence to the Agreement. Provided that such transferee and the Investors shall collectively be entitled to appoint only such number of Directors as the Investors are entitled to appoint under the terms of the Transaction Documents; and provided further that the transferee shall be entitled to independently exercise its voting rights under the Agreement and these Articles including with respect to the Fundamental Issues, except only if such transferee is an Affiliate of the Investors that is not a limited partner of the Investor or any entity not directly or indirectly under the Control or ownership of a limited partner of the Investors (the "**Non-LP Affiliate**"), in which event, such Non-LP Affiliate and the Investors shall vote on Fundamental Issues

as a single block of Shareholders.

- 3.7.6 It is however clarified for the avoidance of doubt, that in the event the shareholding of the Investors and the transferee cumulatively falls below 5% (five percent) of the Share Capital, the rights of the Investors and the transferee remaining under the Agreement and these Articles will be as per **Article 15** of Part B of these Articles.

4. OTHER RIGHTS OF THE INVESTORS

- 4.1 Anti-dilution rights. Notwithstanding anything contained in the Transaction Documents, the Investors shall have the following anti-dilution rights:

4.1.1 The Investors shall be protected against any dilution of their Shareholding in the event of a Corporate Event, any distribution in cash or kind by the Company or any other events of a similar nature.
